Internal Articulated Credit Agreement
Technical Programs
Statewide Career Certificate to AAS/AS/PSAV

Basis for Articulation	Receiving Academic Program	Total Credits
Statewide Articulation Agreement	AS Computer Programming & Analysis	12

In a continuing effort to serve the post-secondary transitional needs of students in technical and career programs, Hillsborough Community College agrees to extend college credit for the following Statewide Career Certificate: Web Programming Services. The certification noted herein reflect specific levels of skill attainment as identified through a set of technical competencies and as validated by rigorous industry examinations. The academic integrity of the associated competencies has been evaluated by HCC faculty and are determined to be in alignment with those of the receiving degree program. The articulated credits will be applied towards the Associate in Science, Computer Programming & Analysis degree as delineated below:

Statewide Career Certificate	Hillsborough Community College Courses	Credit Hours
Web Programming Services	COP 2931—Special Topics in Programming	3
	COP 2932—Special Topics in Programming	3
	COP 2933—Special Topics in Programming	3
	COP 2934—Special Topics in Programming	3

*To be eligible for articulation, the student must show evidence of the certification and it must have been issued within three (3) years prior to enrollment in the HCC program. This agreement is effective as of February 1, 2019 and will be reviewed again on June 30, 2024

*An original form of documentation must be presented to an HCC representative before articulated credit can be requested. However, a copy of the certification can be used for internal processing of the articulated credit form.

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Web Programming Services
PSAV CIP Number: 0507.030500
PSAV Program Number: B079200
AAS/AS Degree Name: Computer Programming & Analysis
AAS/AS CIP Numbers: 0507.030500/1507.030500

Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Computer Programming & Analysis** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Industry Certification: Credit in escrow pending successful completion of nine (9) credit hours in the program core/electives with at least one course in advanced program core.

School district technical center and community college faculty committee met and agreed to propose that the **1200** clock hour program in **Web Programming Services** shall articulate a minimum of **twelve (12)** college credit hours to the AAS/AS Degree in **Computer Programming & Analysis**. This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in Computer Programming & Analysis.

General Education .... __15__ credit hours

Program Core/Program Electives .... __45__ credit hours

Total AAS/AS Degree Program .... __60__ credit hours

Will award course credits or a block of credit toward AAS/AS program for 12 (twelve) hours of credit.
