Internal Articulated Credit Agreement
Technical Programs
Statewide Career Certificate to AAS/AS/PSAV

Basis for Articulation	Receiving Academic Program	Total Credits
Statewide Articulation Agreement	AS Computer Engineering Technology	9

In a continuing effort to serve the post-secondary transitional needs of students in technical and career programs, Hillsborough Community College agrees to extend college credit for the following Statewide Career Certificate: Computer Systems Technology, Computer Systems Technology 1, Computer Systems Technology 2. The certification noted herein reflect specific levels of skill attainment as identified through a set of technical competencies and as validated by rigorous industry examinations. The academic integrity of the associated competencies has been evaluated by HCC faculty and are determined to be in alignment with those of the receiving degree program. The articulated credits will be applied towards the Associate in Science, Computer Engineering Technology degree as delineated below:

Statewide Career Certificate	Hillsborough Community College Courses	Credit Hours
Computer Systems Technology, 1, 2	CET- 2335C TOTAL MICRO	3.0
	EET- 1083C ORIENTATION	3.0
	CET- 1112C BASIC DIGITAL	3.0

*To be eligible for articulation, the student must show evidence of the certification and it must have been issued within three (3) years prior to enrollment in the HCC program. This agreement is effective as of <u>February 1, 2019</u> and will be reviewed again on <u>June 30, 2024</u>

*An original form of documentation must be presented to an HCC representative before articulated credit can be requested. However, a copy of the certification can be used for internal processing of the articulated credit form.

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Computer Systems Technology
    Computer Systems Technology 1
    Computer Systems Technology 2

PSAV CIP Number: 0647010400
    0647010404
    0647010405

PSAV Program Number: I470104
    J500100
    J500200

AAS/AS Degree Name: Computer Engineering Technology
AAS/AS CIP Number: 0615.040200/1615.040200
Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Computer Engineering Technology** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction. --). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Present an original certificate of completion in Computer Systems Technology. Complete one computer engineering technology program specific course not included as part of the courses being awarded credit with a grade of 'C' or better at the community college awarding the credit. Student must enroll within three (3) years of completion of the PSAV program.

School district technical center and community college faculty committee met and agreed to propose that the **1650** clock hour program in **Computer Systems Technology** OR the **900** clock hour program in **Computer Systems Technology 1** AND the **750** clock hour program in **Computer Systems Technology 2** shall articulate **nine (9)** college credit hours to the AAS/AS Degree in **Computer Engineering Technology** and award an **additional 12 credits** for PSAV programs including Cisco Networking Academy (4 courses in the CCNA track) where the community college includes Cisco as part of its program being articulated. This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in <u>Computer Engineering Technology</u>.

General Education .... __15__ credit hours

Program Core/Electives …………………………………….. __53__ credit hours

Total AAS/AS Degree Program …………………………..__68__ credit hours

Will award course credits or a block of credit toward AAS/AS program for 9 hours of credit and award an additional 12 credits for PSAV programs including Cisco Networking Academy (4 courses in the CCNA track) where the community college includes Cisco as part of its program being articulated.
