Admissions Requirements

Associate Degree, College Credit Certificate Programs, and Applied Technology Diploma

To be eligible for admission to an associate degree program, college credit certificate, or applied technology diploma (F.S. 1007.263), applicants must have one of the following:

- Associate or higher degree or a standard high school diploma.
- Florida public high school graduates must have met Florida graduation requirements (F.S. 1003.43).
- A high school equivalency diploma, or

There may be additional requirements for limited access programs. Check the webpage at www.hccfl.edu/departments.aspx or in the associate degrees/technical programs section of this catalog.

IMPORTANT: Students who hold education certificates from countries other than the United States should refer to the International Students section in this catalog.

Distance Learning Students

Due to state and federal regulations, Hillsborough Community College requires all students registered in an online course to provide an active and valid mailing address in the State of Florida. If you do not have an active and valid mailing address in Florida, you will be dropped from the online course in which you are enrolled. You do not need to be a Florida resident for tuition purposes to register for online courses, but the active mailing address in your Hillsborough Community College student record must be in the State of Florida.

Former Student Returning

Students maintain an active application status by attending HCC at least one term in an academic year. If students have not attended classes for more than one year, they must complete a new HCC application. Former students do not have to pay additional application fees. A former student returning to the college and pursuing a degree or certificate must meet the graduation requirements of the catalog in effect at the time the student returns to continuous enrollment at HCC.

NOTE: Since the college strives to provide the community with up-to-date, postsecondary educational opportunities, HCC’s curriculums are constantly reviewed and are often revised. HCC does not guarantee that the college will continue to offer previously required courses or their prerequisites made unnecessary by changes in programs.

Transfer Students

If students have attended other postsecondary institutions, they may be admitted as a transfer student. Students must provide their high school and or previous college transcripts prior to attendance.

Transient Students

Students attending other colleges or universities who wish to take courses at HCC in order to fulfill degree requirements at their home institutions may be admitted as transient students. Prior to registration, if students wish to apply as transient, they must submit a transient application and documentation from the home institution that:

- Certifies they are in good academic standing.
- Indicates the HCC courses in which students may enroll.
- Affirms that they may use the courses completed and credits earned at HCC to meet the program requirements at the home institution.

Students attending a Florida postsecondary institution must submit this information via the transient application at www.flvc.org.
Transient students are not required to provide official transcripts of their previous college coursework. However, if the documentation from their home institution does not indicate the HCC courses in which the students may enroll, applicants must provide unofficial transcripts to verify they meet HCC course prerequisites.

**NOTE:** HCC students who wish to attend another college as transient students must have a minimum cumulative grade point average of 2.0. Students attending a Florida postsecondary institution must submit this information via the transient application at www.flvc.org.

**Honors Institute**

Hillsborough Community College’s Honors Institute is designed to provide a rigorous academic program for talented and motivated students. The HCC Honors Institute reflects a mutual commitment by students and faculty.

In addition to completing the HCC application, students must submit an Honors Institute application, provide high school (or college) transcripts, and submit written recommendations from high school teachers and/or college faculty members. Honors Institute applications are available in the honors office and online at www.hccfl.edu/honors.

Applicants must meet at least one of the following criteria to qualify for the Honors Institute:

- A high school GPA of 3.4 (unweighted) or higher and college level in verbal of SAT/ACT or
- An SAT combined score of 1160 or higher or
- An ACT composite score of 26 or higher or
- Graduation in the top 10% of the high school class with SAT combined score of 1050 or higher or
- ACT composite score of 25 or higher,
- Completion of 12 hours of dual enrollment courses with a 3.8 GPA or
- A cumulative GPA of 3.6 or higher with a minimum of six semester hours of college-level courses and a maximum of 30 semester hours of college-level (for university or college students).

To graduate from the Honors Institute, students must complete a minimum of eight honors courses (a minimum of 24 credit hours) with a minimum overall GPA of 3.0.

For more information about the HCC Honors Institute, call 813-253-7894 or 813-253-7986 or 813-253-7974 or log on to www.hccfl.edu/honors.

**International Students**

HCC admits foreign students who meet the admission requirements for international students. International students include students with non-immigrant visa classifications, such as A, F, H, J, M, R, or NATO, for example.

The Center for International Education (CIE) provides services to all international students attending HCC on an F-1 student visa. Students in other visa categories should contact the office of admissions, registration, and records at the campus they plan to attend for assistance in enrolling at HCC.

The admission procedures specified below are for international students intending to study at HCC on an F-1 student visa. To be considered for admission, an F-1 student must (1) demonstrate competency in the English language; (2) document sufficient funds to cover educational and living costs; (3) provide proof of graduation from a secondary school; and (4) apply at least three months prior to the term of entry.

Specifically, the student must meet the following admissions criteria:

- **Completed International Student Application.** The application can be obtained at the CIE at DSSC #322 or at www.hccfl.edu/international and should be mailed or emailed to the CIE along with supporting documentation at least three months prior to the term of entry. The online application is not currently available to international students planning to attend HCC on an F-1 student visa.

- **$50 international student application fee (non-refundable).** This may be paid by cashier's/bank check, personal check (requires U.S. driver license number, DOB, and full address with phone number), or international money order made payable to “Hillsborough Community College.” The fee may also be paid by international wire transfer at www.peerTransfer.com.

- **Statement of financial responsibility, which documents sufficient funds to cover the cost of tuition, room and board, books, personal expenses, health insurance and travel for at least one academic year (two semesters).** Financial documentation (Affidavit of Financial Support and bank letter) must be issued within six months of the term the student plans to enroll. Please visit the CIE website for more detailed financial documentation requirements.

- **Proof of health insurance.** HCC requires all F-1 visa students to maintain adequate health insurance throughout their studies at the College. Health insurance must be **valid for a minimum period of one year**, and proof of insurance is **mandatory for each year of enrollment**. Visit www.collegiaterisk.com for more information and to enroll in the HCC-preferred health insurance plan.

- **Proof of English language or proficiency by meeting one of the following conditions:** A score of 61 or higher on the internet-based or 500 or higher on the paper-based TOEFL (Test of English as a Foreign Language); an overall band score of 5.5 on the IELTS (International English Language Testing System); successful completion of Kaplan High-Intermediate Level; successful completion of the highest level of an accredited English language program, including INTO USF (Level 5) and English Language Centers (ESL Level 109); graduation from a U.S. high school with a standard high school diploma after having attended the entire senior year; or an official transcript proving successful completion of ENC 1101 at a regionally accredited post-secondary institution.

- **Documentation of high school graduation or an equivalent level of education.** Students who have completed high school and/or post-secondary coursework...
Articulated Acceleration for High School Students

High school students may earn college credits through articulated acceleration (Florida Statute 1007.271). These acceleration options are dual enrollment and early admissions. Students who satisfy the following requirements may qualify for admission as a student in one of these categories:

Dual Enrolled High School Students
(Florida Statute 1007.27, Florida Statute 1007.271)

Students who enroll as a dual enrolled student can earn college credit by attending college-level courses taught by HCC instructors at an HCC campus before, during, or after high school and during the summer, or at an identified high school during the regular class day. Credits for the courses satisfactorily completed will apply toward both the high school diploma and toward an associate or baccalaureate degree. Dual enrollment courses will not count as excess hours in the 60-hour requirement of an associate in arts or an associate in science degree.

Application fees and tuition are waived and textbooks are provided for Hillsborough County public school students accepted through the dual enrollment program.

Students attending college classes must be mindful that they will be in a learning environment that explores a diverse and open range of ideas that requires a mature understanding of multiple perspectives. All students, including dual enrolled students, must be able to engage in discussions in a mature and responsible manner.

To be eligible for consideration for admission as a dually enrolled high school student, one must meet the following requirements:

- Be a high school senior.
- Provide written authorization from the high school principal or designee.

For more information regarding the F-1 student admission requirements, orientation and placement test, please visit the Center for International Education website at www.hccfl.edu/international.

Important information for students who have completed high school and/or postsecondary work outside the United States:

Transcript(s) in English (original document in the original language and a certified English translation) from high school and from all previously attended colleges and universities must be evaluated by an agency accredited by NACES (National Association of Credential Evaluation Services at www.naces.org). A document-by-document evaluation is required for high school transcripts. A course-by-course evaluation is required for college and university transcripts. Foreign transcripts in original English do not need to be translated. Students can obtain the names and addresses of approved providers of this service at www.naces.org, from the HCC website at www.hccfl.edu/international, or from any campus office of admissions, registration, and records.

NOTE: Students are responsible for all costs associated with obtaining translations and evaluations of their transcript(s).

Articulated Acceleration for High School Students

Students are responsible for all costs associated with obtaining translation and evaluation of foreign credentials.

- Copy of passport photo page.
- F-1 students transferring from a U.S. institution must submit additional documentation:
  - Copy of current Form I-20 (page 1 and 3); copy of F-1 visa; Transfer Clearance Form, completed by current school’s International Student Advisor.
  - After being admitted as an F-1 international student at HCC, students must attend a New International Student Orientation and, if applicable, take a placement test.

For more information regarding the F-1 student admission requirements, orientation and placement test, please visit the Center for International Education website at www.hccfl.edu/international.

Concurrent Admissions Program (ConAP)

HCC participates in the United States Army Concurrent Admissions Program (ConAP). As a ConAP member, HCC will admit eligible new soldiers upon their enlistment. Moreover, the college guarantees full admission during the soldier’s entire enlistment and for two years after the applicant completes active military service.

Soldiers enlisting in the Army Reserve are also eligible for consideration under the ConAP program. However, the admission guarantee for qualified Reservists is deferred until the Reservists complete their initial period of active duty training (about six months).

Admissions Procedures

Application

NOTE: HCC reserves the right to guide the enrollment of its students on the basis of placement tests, pre-registration interviews and past academic performance.

Applications for admission can be obtained and submitted on-line at www.hccfl.edu/ssem/admissions/apply-online.aspx. Applicants must attend within one year of admission. Otherwise, a new application and possibly transcripts will be required.

Transcripts

Students whose transcripts do not arrive prior to the start of the semester, will not be eligible for financial assistance or veterans, or other benefits.

Applicants are responsible for ensuring that official copies of high school transcripts, GED scores, or copy of degree earned and official transcript(s) from all postsecondary schools attended are submitted to the college.

Applicants who completed a home education program must provide a signed affidavit affirming completion.

NOTE: A final, official high school transcript is one that includes the official graduation date.

NOTE: For transcripts outside the United States refer to the International Students section of this catalog (Important information for students who have completed high school and or postsecondary work outside the United States).

Fraudulent Credentials

If a student knowingly:
• Makes a false statement,
• Conceals material information,
• Provides inaccurate information on any document submitted to the college,
• Alters a transcript or other academic credential
He or she may be denied admission, suspended or dismissed.

Enrollment Restrictions

Under normal conditions, all students who meet the college’s entrance requirements will be admitted. At times, state enrollment and funding limitations may preclude enrollment of out-of-state and international students. At those times, students will be admitted according to the following priorities:
1. Returning students/Veterans
2. New students who are Florida residents
   a. First-time-in-college students
   b. Transfer students
3. New out-of-state students
   a. First-time-in-college students
   b. Transfer students
4. International students
NOTE: HCC participates in priority registration. Depending on your status, HCC will determine your registration dates. These dates are advertised on the web and the college calendar.

The college reserves the right to deny admission to applicants whose past actions were disruptive to or interfered with the orderly processes, functions, or programs of another postsecondary institution. In addition, HCC may deny admission to students who are ineligible, for any reason, to resume their studies at another postsecondary institution.

Orientation and Testing

Students attending HCC for the first time must attend orientation and, if applicable, take a college placement test. Once the student has been admitted, the appropriate testing, admissions and records, or advising office will provide information about orientation and testing. The college will provide reasonable accommodations to disabled students taking the placement test.

Degree-seeking students must provide assessment/placement test scores from PERT, ACT, or SAT prior to registering for classes. Test scores may be no more than two years old. If the scores are older than two years or if the student has not previously taken one of the aforementioned placement tests, the student may take the test at the appropriate HCC testing office.

The following test scores are required for college-level courses:

<table>
<thead>
<tr>
<th></th>
<th>ACT Enhanced</th>
<th>PERT</th>
<th>SAT I</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reading</td>
<td>18</td>
<td>104</td>

<td>17</td>
<td>99</td>
<td>n/a</td>
</tr>
<tr>
<td>Mathematics</td>
<td>19</td>
<td>113</td>
<td>440</td>
</tr>
</tbody>
</table>

NOTE: The minimum required scores on the PERT (Postsecondary Educational Readiness Test) are subject to change. Students testing into college preparatory course work are subject to certain regulations regarding registration.

Students who have earned a postsecondary degree or completed college-level English and mathematics courses might be exempt from the testing requirement. The college strongly recommends that students who have completed postsecondary work at other institutions bring unofficial transcripts or grade slips with them for advising and registration purposes.

Residency Requirements

For the purpose of assessing registration fees in public community colleges and universities, students are classified as Florida residents or non-Florida residents per Florida Statute (F.S.) 1009.21 and State Board of Education Rule (SB) 6A-10.044.

According to Florida statute, in order to pay in-state tuition, students must complete a declaration of residency (included in the application for admission) prior to the drop and add period of the term for which Florida Residency is sought. To qualify for in-state tuition, a student must be a U.S. citizen, permanent resident alien or legal alien.

For other eligible non-citizen categories or for a list of exemptions from the residency process, refer to the Guidelines on Florida Residency for Tuition Purposes. Exempt students are required to provide documentation of exemption eligibility.

For current and detailed information about Florida residency for tuition purposes visit the Florida Virtual Campus at www.flvc.org, click on Apply, click on Residency Guidelines or visit HCC’s student services website at www.hccfl.edu/ssem.aspx. When applying through the Florida Virtual Campus website, documentation to support an application for in-state tuition on the basis of legal residence for statutory exemption is required.

Residency Criteria

The HCC application includes a Florida residency affidavit which must be completed. An applicant who does not complete the residency affidavit or provide incomplete documentation on or in conjunction with the residency affidavit will not be classified as a resident for tuition purposes, and will be required to supply information prior to the end of drop and add.

If a student indicates his or her status as non-resident, there is no requirement to prove such status or to submit supporting documentation. The student is automatically considered out-of-state for tuition purposes.

Independent Student

An applicant who provides evidence of any one of the following criteria shall be classified as an independent student for the determination of residency for tuition purposes.

- The student is 24 years of age or older by the first day of classes of the term for which residency status is sought as a Florida institution; or
- The student is married; or
- The student has children who receive more than one-half of their support from the student; or
- The student has other dependents who live with and receive more than one-half of their support from the student; or
- The student is a veteran of the United States Armed Forces or is currently serving on active duty in the United States Armed Forces for purposes other than training; or
- Both of the student’s parents are deceased or the student is or was until age 18 one of the following: a ward/dependent of the court or in foster care; or
- The student is determined an unaccompanied homeless by a school district homeless liaison, emergency shelter or transitional housing program; or
- The student is working on a master’s or doctoral degree during the term for which residency status is sought at a Florida institution.
- The student is employed and provides a tax transcript of income equal or exceeding 50% of annual cost of attendance stipulated by financial aid.
Dependent Student

All students who do not meet the definition of an independent student shall be classified as dependent students for the determination of residency for tuition purposes.

Dependent students will be granted in-state residency for tuition purposes if the residency affidavit on the college application indicates that all of the following criteria are met. Further documentation will not be required for these students.

- The student is eligible to be claimed by his or her parent or legal guardian as a dependent under the federal income tax code;
- The student’s nation of citizenship is the United States;
- The student is under 24 years of age;
- The student’s mother, father or legal guardian is the person claiming Florida residence;
- The student’s mother, father or legal guardian claiming Florida residence has a Florida permanent legal address; and
- The student’s mother, father or legal guardian claiming Florida residence provides written or electronic verification that he or she has been issued two or more of the acceptable documents in the following Acceptable Documents for in-State Tuition Application section.

Such documentation must demonstrate that the applicant has maintained legal residence in Florida for at least twelve (12) consecutive months prior to his or her initial enrollment in a university or college.

Acceptable Documents for In-State Tuition Application

Applicants will have to submit documentation that they or a parent or legal guardian have been a Florida resident for at least 12 months prior to the first day of the classes for which they are enrolling. At least two of the following documents must be submitted with dates that evidence the 12-month qualifying period.

Documentation submitted after the drop/add period will not become effective until the following semester. There must be no information contradicting the applicant’s claim of residency.

At least one of the two documents submitted must be from the following:

- Florida driver’s license;
- State of Florida identification card;
- Florida voter registration card;
- Florida vehicle registration;
- Proof of a permanent home in Florida occupied as the primary residence of the student or by the student’s parent if the student is a dependent child;

- Proof of permanent full-time employment in Florida (one or more jobs for at least 30-hours per week for a 12-month period).

The following documents may be used in conjunction with one of the documents listed above:

- A declaration of domicile in Florida;
- A Florida professional or occupational license;
- Florida incorporation;
- Documents evidencing family ties in Florida;
- Proof of membership in Florida-based charitable or professional organizations;
- Any other documentation that supports the student’s request for resident status including but not limited to utility bills and proof of 12 consecutive months of payments, a lease agreement and proof of 12 consecutive months of payments, or official state, federal or court documents evidencing legal ties to Florida.

Unacceptable Documents for Proof of Residency

- Hunting/fishing license
- Library card
- Shopping club/rental card
- Birth certificate
- Passport

Information Resources

DHSMV Database-Access to the Division of Highway Safety and Motor Vehicle Database can be used exclusively for the purpose of verifying driver’s license, vehicle registration for students and their parents.

Requirements for Reclassification of Florida Residency for Tuition Purposes

Except as otherwise stated, a student who is classified as a non-resident for tuition purposes may become eligible for reclassification as a Florida resident for tuition purposes by presenting a minimum of three (3) documents, one of which must be from the first group of documents and two (2) documents can be from either of the two groups previously identified under “Acceptable Documents for In-State Tuition Application” that demonstrate the establishment of permanent legal residence in Florida other than for the sole purpose of pursuing an postsecondary education.

In addition, documentation must demonstrate that the independent student has, or the dependent student’s parents have, maintained legal residency in Florida for at least twelve (12) consecutive months prior to the student’s request for reclassification.

Students interested in pursuing residency reclassification or to appeal an initial residency classification decision may do so by contacting the dean of student services at any HCC campus. Requests for reclassification will be reviewed by HCC’s Residency Appeals Committee.

Transfer Credit

HCC will accept transfer credit from other institutions if they are accredited by one of the following regional accreditation agencies:

MSA: Middle State Association of Colleges and Schools
NEASC: New England Association of Schools and Colleges
NCA: North Central Association of Colleges and Schools
NASC: Northwest Association of Schools and Colleges
SACS: Southern Association of Colleges and Schools
WASC: Western Association of Schools and Colleges

HCC conducts transcript evaluations for all lower division credit course work even when a prior degree has been earned. Applicants must provide official transcripts from each postsecondary institution they have attended.

For courses taken at accredited institutions, transfer credit will be awarded for courses in which a grade of “D” or better has been earned.

Since certain HCC curricula and programs require that students earn a grade of “C” or better in specific courses, transfer students should meet with advisors to determine if courses taken elsewhere meet degree requirements. All students must complete 25 percent of their degree at HCC.

HCC reviews the content and objectives of courses completed at non-regionally accredited institutions on a course-by-course basis. Applicants must provide HCC with all required documents before the college will consider awarding transfer credit.

The transcript office notifies students when evaluations are complete.

**Registration**

Registration is held each semester. Students register through WebAdvisor which is covered in detail during orientation. Students may seek assistance from any campus admissions, registration, and records office. The dates for registration are published in the college operational calendar in the front of this publication, and on the HCC web site.

HCC may withhold registration privileges from students who have unpaid fees; who have overdue student loans; who have overdue library books, audiovisual equipment, or physical education equipment; who have failed to provide transcripts or other documents required for admission purposes; and who have been disqualified for academic or disciplinary reasons.

**Audit Registration**

Students who have been admitted to HCC but who wish to take courses without receiving credit may register as audit students. The following guidelines apply:

- Students must make the choice to audit when they register.
- Students may change from audit to credit or credit to audit only during the drop/add period.
- Fees for audit and credit courses are the same.
- Students should confirm their audit status with the instructor on the first class date.
- Students auditing classes are not eligible to receive veterans’ benefits or financial aid for those classes.
- Students receiving senior citizen fee waivers are registered as auditing students.
- Students auditing classes must meet all course prerequisites including appropriate test scores.
- College preparatory courses follow state-mandated guidelines and requirements. Auditing these classes might not be an available option. (For details, see the college preparatory section in this catalog.)
- Attendance is optional.

**Course Load and Enrollment Status**

All courses carry a specified number of credits. The unit of credit is the semester hour. Courses requiring laboratory work or skill practice may meet for more minutes each week than the credits they confer.

The college strongly recommends that students enrolled for 12 or more credits limit their employment to a maximum of 20 hours per week.

Enrollment status can change during a term. For example, if a student initially registers as full-time and withdraws from a course during a term, the student’s course load might fall below 12 credits. The student’s enrollment status will be reduced to less than full-time from that point until the end of the term.

Registering as a full-time, three-quarter, or half-time student can affect eligibility for financial aid, veterans’ benefits, scholarships, insurance benefits and international student visas. Students receiving financial aid should speak with a financial aid specialist about the enrollment requirements for receiving aid.

If students request in writing to the office of admissions, registration, and records, they will provide verification of enrollment to employers, insurance agencies, and others. For courses that do not coincide with the Board of Trustees’ approved beginning and ending dates of a fall, spring or summer term, course load and enrollment verifications will be based upon the term in which the course begins, regardless of the actual meeting dates.

**Enrollment status is based on the following course-load criteria:**

- **Full-time:** taking 12 or more credit hours during a term.
- **Three-quarter-time:** taking nine to 11 credit hours during the term.
- **Half-time:** taking six to eight credit hours during the term.
- **Less than half-time:** taking five or less credit hours during the term.

**Course Adjustment**

**Drop and Add**

Schedule adjustments must be made during the drop/add period. Students should check their class schedule on WebAdvisor for the drop/add and withdrawal dates for each course.

**IMPORTANT:** If students stop attending a course but fail to officially drop or withdraw from the course, they will not be relieved of the financial obligation, and they might receive a failing grade.

**Withdrawal Policy**

Students may officially withdraw from one or all courses prior to the course withdrawal deadline date for each. The withdrawal deadlines are on the student schedule in Web Advisor. Students who officially withdraw are
