Welcome Roxana!

Search and register for sections
Use this option if you would like to look for sections, add them to your preferred list of sections and then register for them.

Express registration
Use this option if you know the exact subject, course number, and section (or synonym) of the sections for which you wish to add to your preferred list and then register. (Example: MAC 1105 or Section 42705).

Register for previously selected sections
Use this option if you have already placed sections on your preferred list and would like to now register.

Drop sections
Use this option if you would like to drop a section. (Other choices also allow you to drop a section while you register for another.)
