Planning the next step of School Life

DRAFTING A PLAN WHILE AT HCC

¡Conéctate!
THE CONNECTION CENTER AT DAKEL MARBY
If you are considering continuing education after HCC, consider the following:

• What program(s) am I interested in pursuing?
• Do I have credits to transfer in to the program?
• Is it considered a S.T.E.M. field program?
• What is the cost of the program?
• Where is the program offered?
• Where are the job opportunities for this field?
• What are the job opportunities for this field?
• Will this field have potential growth in the future?
• ____________________________________________?
Research different colleges you’d consider for your degree program.
Review the different Majors and Programs offered by each college.
RESEARCH DIFFERENT FINANCIAL OPPORTUNITIES

Be aware of scams
PAY ATTENTION TO THE DETAILS

• Qualifications and required steps for program entry
• Forms to fill out
• Due dates for different requirements
• Staff to contact and follow-up with
*Don’t make assumptions or “ask around” for answers.

Go to the source. Meet with academic advisors, Program Directors and other staff at the college you plan to attend.
Meet with S.T.E.M. Transfer Center staff at HCC if you are in (or plan to enter) the fields of Science, Technology, Engineering or Mathematics
