NOW THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable considerations, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

2. By the beginning of each program year, the parties will negotiate a budget for the program, which is mutually agreeable. Should the enrollment for program fall below 15 students or rise to over 20 students in any one semester, the parties agree to renegotiate the budget. The Board shall be responsible for salaries and fringe benefits for adjunct faculty, which it hires to support the Program. The Board shall pay the Trust Fund for all other mutually agreed upon program expenses, and shall transfer funds to cover these expenses as agreed upon.

3. The Trust Fund shall maintain all official records and files as required by the State of Florida. All such records and files shall be available for inspection and audit by the Board and the State of Florida. The Board will maintain all Department of Education required records and files. In the event this agreement is renewed for an additional three-year period, the Board will have the option to terminate the agreement for each subsequent year if state funding for the program at current formula levels is not received.
