

## Internal Articulated Credit Agreement Technical Programs Statewide Career Certificate to AAS/AS/PSAV

| Basis for Articulation           | Receiving Academic Program         | Total Credits |
|----------------------------------|------------------------------------|---------------|
| Statewide Articulation Agreement | AS Computer Engineering Technology | 9             |

In a continuing effort to serve the post-secondary transitional needs of students in technical and career programs, Hillsborough Community College agrees to extend college credit for the following Statewide Career Certificate: Network Support Services. The certification noted herein reflect specific levels of skill attainment as identified through a set of technical competencies and as validated by rigorous industry examinations. The academic integrity of the associated competencies has been evaluated by HCC faculty and are determined to be in alignment with those of the receiving degree program. The articulated credits will be applied towards the Associate in Science, Computer Engineering Technology degree as delineated below:

| Statewide Career Certificate | Hillsborough Community College Courses | Credit Hours |
|------------------------------|--|--------------|
| Network Support Services     | CET-1112C BASIC DIGITAL                | 3.0          |
|                              | EET-1083C ORIENTATION                  | 3.0          |
|                              | CET-2335C TOTAL MICRO                  | 3.0          |

\*To be eligible for articulation, the student must show evidence of the certification and it must have been issued within three (3) years prior to enrollment in the HCC program. This agreement is effective as of February 1, 2019 and will be reviewed again on June 30, 2024

\*An original form of documentation must be presented to an HCC representative before articulated credit can be requested. However, a copy of the certification can be used for internal processing of the articulated credit form.

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Network Support Services  
PSAV CIP Number: 0507.030402  
PSAV Program Number: B078000

AAS/AS Degree Name: Computer Engineering Technology  
AAS/AS CIP Number: 0615.040200/1615.040200

Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Computer Engineering Technology** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction. --). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Present an original certificate of completion in Network Support Services. Provide evidence for each additional option included in the program as defined below for additional credits. Complete one computer engineering technology program specific course not included as part of the courses being awarded credit with a grade of 'C' or better at the community college awarding the credit. Student must enroll within three (3) years of completion of the PSAV program.

School district technical center and community college faculty committee met and agreed to propose that the **1050** clock hour program in **Network Support Services** shall articulate **nine (9)** college credit hours to the AAS/AS Degree in **Computer Engineering Technology**. This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in Computer Engineering Technology.

General Education ..... 15 credit hours

Program Core/Electives ..... 53 credit hours

Total AAS/AS Degree Program ..... 68 credit hours

Will award course credits or a block of credit toward AAS/AS program for 9 hours of credit and award additional credit for PSAV programs including each of the following tracks (coursework) if the community college includes this coursework in the articulated program:

- 12 credits – Cisco Networking Academy ( 4 courses in the CCNA track)
- 3 credits – Wireless track in CWNP
- 3 credits – Security + coursework
